RESOLUTION W-4978
March 27, 2014

RESOLUTION

(RES. W-4978) RIVERVIEW ESTATES WATER
COMPANY ORDER SEEKING AUTHORIZATION
TO ESTABLISH A LATE PAYMENT CHARGE OF
\$25.00.

SUMMARY

By Advice Letters Nos. 22 and 22-A, filed on December 19, 2013 and January 22, 2014 respectively, Riverview Estates Water Company, a Class D water utility, seeks authorization to increase its Schedule No. LC, Late Payment Charge rates from \$5.00 to \$25.00.

Advice Letter No. 22-A modified the requested late charge from \$31.00 to \$25.00 as the \$25.00 rate is more reasonable and comparable to other water utilities of similar scope size.

This Resolution authorizes Riverview Estates Water Company to increase its Schedule No. LC, Late Payment Charge rates from \$5.00 to \$25.00.

BACKGROUND

Riverview Estates Water Company's (Riverview) present rates became effective on June 22, 2013, pursuant to Advice Letter No. (AL) 21, which authorized a Consumer Price Index increase of \$236.41, or 1.7%. The existing \$5.00 Late Payment Charge was established by Resolution No. W-4634 dated March 15, 2007, General Rate Case for Test Year 2006, which authorized an increase of 45.2%, or \$3,720.

NOTICE AND PROTESTS

In accordance with General Order 96-A, Section III.G., a copy of Riverview's AL 22-A was mailed to competing and adjacent utilities and other utilities and interested parties having requested such notification. A service list of such utilities and/ or parties was included in the filing.

A copy of this request was mailed or electronically transmitted to all customers. No protests were received.

DISCUSSION

Riverview has recently experienced problems with customers paying late. Five of Riverview's 17 customers typically require "10-day late notices." Two of these five habitually require a "2-day notice" to be sent or posted before payment is remitted.

Riverview is essentially a one-person operation, and when customers pay late, the operator must incur costs to obtain late payments, which are ultimately at the expense of other customers and it is unreasonable for those who pay promptly to bear the costs of those who are consistently submitting late payments.

Appendix A provides a copy Riverview's proposed Schedule No. LC, Late Payment Charge to increase the late payment charge from \$5.00 to \$25.00.

Therefore, it is recommended that the late payment charge should be increased to cover both the additional processing costs and to provide an incentive for late-paying customers to remit payments promptly.

DEFINITION AND TIER CLASSIFICATION

This matter is defined as a Tier 3 Classification in accordance with General Order 96-B, Section 5.3 (9); this matter is a change to a rate or charge pursuant to a methodology approved by the Commission for use in an advice letter.
